

Eric's computer isn't working very well today.

Can you help him fill in the missing numbers?

$$2 + \square = 10$$

$$3 + 7 = \square$$

$$4 + \square = 10$$

$$5 + 5 = \square$$

$$1 + \square = 10$$

Now try making up some longer sums like this one:

$$6 + 2 + 1 + 1 = 10$$
