## Design your own Lob

'Lucy knew Lob was there, from the way she felt inside. There was a sparking of mischief in her head, a tingle of energy in her arms and legs. She wanted to run, jump, climb, be everywhere at once. You have to be a special person to see Lob.'

Lob is here, and he is real, now and for ever and ever!

Lob loves helping out in the garden but only the truly special know what he looks like.
